Introduction to Affordable Housing Development

NeighborWorks America Course AH103el
An on-demand eLearning course from NeighborWorks America

THIS COURSE WILL COVER:

This online learning opportunity designed to provide participants with a basic operating framework to consider and understand “affordable housing”, specifically nonprofit owned, affordable, multi-family rental housing. The course outlines the key elements and characteristics of affordable housing, provides a primer on the housing development process and identifies an inventory of both the benefits and outcomes of well-designed and well-managed affordable rental housing. Course participants will, upon completion of the course, have a fundamental understanding, as well as the skills and competencies needed, to advocate for affordable rental housing in their communities.

WHO SHOULD ATTEND:

People new to affordable housing development
