EVALUATION CRITERIA

Please refer to the 2020 Resident Development Fund Application Guide for guidance on the evaluation criteria that OCIC will use to review your application.

Program Design 1.1

Please describe the problem or need your proposal will address in 1,000 characters or less.

Program Design 1.2

Describe how your program or service is designed to make an impact on the problem or need identified. Point to the specific activities you will undertake to bring about desired changes.

Applicants must complete the table in Attachment B.

Program Design 1.3

Describe if or how your program will continue once Resident Development Funds have been expended.

Program Design 1.4

Describe any outreach efforts to residents that have occurred to date. Discuss how you will recruit residents and engage them in the activities described above.

Measurement of Key Indicators and Performance Metrics 1.5

What goals do you hope to achieve? Describe how the activities will have a meaningful impact on residents' lives.

**Measurement of Key
Indicators and Performance
Metrics 1.6**

Describe how you will generate
information to define and
measure program success.

NOTE TO APPLICANTS: OCIC staff will work with partners to create a measurement plan that will include a small set of critical measures and other indicators of performance. This approach will enable OCIC and grantees to assess how well funded programs are working to achieve short term, intermediate, and long-term success.

<i>If awarded, do you agree to report to OCIC on key indicators and performance measures?</i>	Yes
	No

Staffing and Qualifications 2.1

Identify the members of the program team and their qualifications, including those team members from organizations other than the applicant. Discuss the track record of each organization as it relates to the services or programming in this proposal.

Current Services Offered 2.2

Describe any services or programming currently being provided to residents. If a service coordinator is available to the property, describe if the professional is located on site and how frequently they are in contact with residents.

Linkage to Existing Service Providing Agencies 3.1

Describe efforts to coordinate with existing service providing agencies in your community. Distinguish those activities that are the direct responsibility of the grantee from those that will be conducted by related programs or partner organizations.

Linkage to Existing Service Providing Agencies 3.2

If partnering with another organization, describe their history and experience relevant to the population to be served and the grant activities proposed.

Applicants must provide a detailed budget using the template provided in Attachment C. Please use the space below to provide an explanatory narrative.
