and residents of the low
income housing tax credit
property affiliated with
OCCH.

Program Need

Please describe the problem or need your proposal will address. Detail goals you hope to accomplish, and how the activities will have a meaningful impact on residents' lives.

Program Design

Describe how your program or service is designed to make an impact on the problem or need identified. Point to the specific activities you will undertake to bring about desired changes. **(Aplicants must complete the table in Attachment B).**

Program Sustainability

Describe if or how your program will continue once OCIC funds have been expended.

Program Outreach

Describe any outreach efforts to residents that have occurred to date. Discuss how you will recruit residents and engage them in the activities described above.

Measurement of Key Indicators and Performance Metrics

What goals do you hope to achieve? Describe how the activities will have a meaningful impact on residents' lives.

Describe the outcome measurements used to reflect impact achieved and success of the program.

NOTE TO APPLICANTS: OCIC staff will work with partners to create a measurement plan that will include a small set of critical measures and other indicators of performance. This approach will enable OCIC and grantees to assess how well funded programs are working to achieve short term, intermediate, and long-term success.

If awarded, do you agree to report to OCIC on key indicators and performance measures?

Yes

No

Capacity

Identify the members of the program team and their qualifications, including those team members from organizations other than the applicant. Discuss the track record of each organization as it relates to the services or programming in this proposal.

Describe any services or programming currently being provided to residents. If a service coordinator is available to the property, describe if the professional is located on site and how frequently they are in contact with residents.

Linkage

Describe efforts to coordinate with existing service providing agencies in your community. Distinguish those activities that are the direct responsibility of the grantee from those that will be conducted by related programs or partner organizations.

If partnering with another organization, describe their history and experience relevant to the population to be served and the grant activities proposed.
